• team & individual rules

Student Participation: No one shall participate in any high school racquetball contest unless they are a bona fide student at an accredited high school, regularly enrolled and doing full work as defined by the regulations of the institution.

Individual Players: If a school has only one player, that player may represent their school as an individual.

Eligibility: Only U.S. citizens may compete in the U.S. Team Qualifying Gold divisions; all other age & skill divisions are open to U.S. citizens and residents.

USA Racquetball Membership: A USA Racquetball membership is required of all participants. At registration, entrants must present a current membership card, a receipt, or a cancelled check indicating recent enrollment as proof of membership, or purchase a membership on site.

Teams and Format: National Championship Competition - Players will compete for team and individual National Racquetball Championships in Boys, Girls, and Overall Team Competition. Teams will consist of players in 6 singles divisions, 3 doubles divisions for boys, girls, and 3 mixed divisions. Divisions are numbered 1 thru 6 in singles and 1, 2, and 3 in doubles. The top ranked player on a team must enter Division #1, the second ranked player in Division #2, and so on. Division #6 in singles and Division #3 in all doubles events are open to all players not entered in a higher division. No two players from the same school may play in the same division, except Division #6 in singles, and Divisions #3 in all doubles events. If there are fewer than 6 players, boys or girls, on a team, divisions must be filled from the top first, that is Division #1 Singles, then Division #2 Singles, and so on. All singles players are guaranteed 3 matches, including forfeits and byes. All players will earn points for their school towards the Team Championships. Players may enter 3 events, however, they must be separate events, and the 3rd event must be mixed doubles. Singles divisions will use Olympic Format (Gold round, plus Blue, Red, and White). Doubles divisions will have only one consolation round. In doubles, just as in singles, the intent is for the best doubles team from each school will enter Division #1, the second best team will enter Division #2, etc., to eliminate "sand-bagging".

Scoring: Points will be earned according to the round of your final loss (or victory if you win the division). Points are not cumulative; forfeits or byes are considered matches won.

JUNIOR CODE OF CONDUCT

All participants and chaperones will be asked to sign an official Code of Conduct upon registering for the tournament. In brief, the Code of Conduct states: 1. A nightly "in room" curfew of 11 p.m., unless accompanied by chaperone; 2. There will be no possession or use of alcoholic beverages at the tournament sites or host motel; 3. Any physical damage to a room or loss of non-perishable items in the room (i.e., towels, lamps, etc) will be paid for by those participants assigned to the room in which the damage or loss occurs; 4. Unacceptable behavior will not be tolerated, for example — a) Any act considered to be an offense under federal, state or local laws and/or USA Racquetball rules. b) Gross misconduct (i.e. inappropriate horseplay, stealing, etc.) c) Unsportsmanlike conduct.

PENALTIES — Violation of the Code of Conduct may result in: 1. Full or partial restriction of movement at the tournament; 2. Written report to the Executive and Disciplinary Committees for further action; 3. Loss of opportunity to participate in future USA Racquetball programs; 4. Expulsion from tournament and return home at his/her expense. For further information, contact the tournament director.
